

致: 全体家长/监护人

交通改道通知

为缓解校园周边长期交通拥堵的问题，巴生皇城市政厅将于 2025 年 8 月 1 日至 10 月 31 日期间，实行为期三个月的交通改道试跑计划。计划试跑期间，市政厅将对学校附近部分道路进行限制。

- 根据市政厅的计划，改道重点为：（附图）
 - 从 B 门（Lebuh Tapah）方向来的车辆禁止左转进入 A 门前的吴福发路（Jalan Goh Hock Huat），只能直走或右转进入市区方向。
 - A 门前约 100 公尺路段改为单向通行。
- 此外，下雨天家长的车辆将无法驶入校园内，请提醒您的孩子每天携带雨伞，以应对突如其来的降雨。
- 本校保安也将协助学生过马路，在此提醒家长请勿把车辆停在住户门前，尤其是并排停车（Double-Park），以免造成住户的不便。

本校希望借着这项改道计划，能有效舒缓交通拥堵的问题。感谢您的体谅与配合，让我们共同为孩子打造更安全、有序的校园环境。

To: All Parents/Guardians

Traffic Diversion Notice

To ease the long-standing traffic congestion around the school area, the Klang Royal City Council will implement a three-month trial traffic diversion plan from 1 August to 31 October 2025. During the trial period, certain roads near the school will be subject to restrictions.

2. According to the council's plan, the key diversions are as follows (see attached diagram):
 - Vehicles coming from Gate B (Lebuh Tapah) are prohibited from turning left into Jalan Goh Hock Huat, the road in front of Gate A. Vehicles may only go straight or turn right toward the city area.
 - A stretch of about 100 meters in front of Gate A will be converted into a one-way road.
3. Additionally, on rainy days, parents' vehicles will not be allowed to enter the school compound. Please remind your child to carry an umbrella daily to prepare for sudden rain.
4. The school security team will assist students in crossing the road. We kindly remind parents not to park in front of residential houses, especially not to double-park, to avoid causing inconvenience to residents.

The school hopes this diversion plan will effectively ease traffic congestion. We thank you for your understanding and cooperation in creating a safer and more orderly school environment for our children.
